

Minutes of May 1, 2013 LWRHOA Board meeting

In attendance: Tara Hopwood, Koper Wong, Richard Mellon, Bob Geary

The following officers were elected:

President	Koper Wong
Vice President	Richard Mellon
Secretary	Regina Aiello
Treasurer	Bob Geary
Chief Technology Officer	Tara Hopwood

There were two major discussions:

1. How to improve the use of technology to more effectively communicate with our members and manage the affairs of the association.
 - a. Tara Hopwood will investigate methods to better manage and share our information both among the board and with our members.
 - b. We want to have a single point of contact for the association. Changing our email address to: lwrhoa@theridgeline.com is a goal to be accomplished.

2. How to organize an effort to engage all our members, by creating a block watch program, and having a summer social event this year in one of our parks.
 - a. Richard Mellon will contact the City and our police department to organize the block watch program.
 - b. The board will canvass their neighbors seeking volunteers willing to talk to their nearby neighbors and hand out information about the association and our goals. Each board member will report back at our next meeting, scheduled for June 6, 2013.

Other actions taken without meeting:

1. Koper Wong was added as a signatory to our Bank of America account.
2. The Board approved a requested increase in the cost for our service from Greenway Landscape, LLC. From \$1116/mo. to \$1200/mo.
